

IMPORTANT INFORMATION ABOUT YOUR HOGUE® GRIP SCREWS

Your Hogue® grip screws should only be used with the specific gun (frame) for which they were designed. Before installing your new screws, be sure your gun is unloaded. Check all functions of your gun after the grip is installed. If you do not feel competent to check the proper function yourself, have your gunsmith check this for you. Finally, it is important to test fire the gun after installation but before use in the field to be certain it functions properly and you can handle the gun safely.

All firearms are potentially dangerous; their use may cause great harm, personal injury or death. It is your responsibility to know the safe use, procedures and operation of your firearm; and to store, handle and transport your firearm safely. Proper training is available through accredited firearm safety training programs.

CUSTOMER SATISFACTION

Customer satisfaction is our number one priority. Do not hesitate to contact us with any problems. We will do our absolute best to help.

If you are not completely satisfied with your Hogue grip screws for any reason, you may, with proof of purchase return them to the place of purchase within thirty (30) days for a full refund or replacement.

Due to manufacturing variations in the gun frames, we do not warrant that your grip screws will function correctly with any specific frame. Except for your right to return the screws for replacement or refund within thirty (30) days, this product is sold "AS IS" and "WITH ALL FAULTS". To the extent allowed by law, we specifically disclaim any express or implied warranties, including, but not limited to, warranties of merchantability and fitness for a particular purpose.
