IMPORTANT INFORMATION ABOUT YOUR HOGUE® POLY SWIVELS™

Your Hogue® swivels should only be used with standard swivel studs. Before installing your new swivels, be sure your gun is unloaded. Check all functions of your gun after the swivels are installed. If you do not feel competent to check the proper function yourself, have your gunsmith check this for you. Finally, it is important to test fire the gun after installation but before use in the field to be certain it functions properly and you can handle the gun safely.

All firearms are potentially dangerous; their use may cause great harm, personal injury or death. It is your responsibility to know the safe use, procedures and operation of your firearm; and to store, handle and transport your firearm safely. Proper training is available through accredited firearm safety training programs.

CUSTOMER SATISFACTION

Customer satisfaction is our number one priority. Do not hesitate to contact us with any problems. We will do our absolute best to help.

If you are not completely satisfied with your Hogue Poly Swivels for any reason, you may, with proof of purchase return them to the place of purchase within thirty (30) days for a full refund or replacement.

Due to manufacturing variations in stocks and swivel studs, we do not warrant that your swivels will function correctly with any rifle. Except for your right to return the swivels for replacement or refund within thirty (30) days, this product is sold "AS IS" and "WITH ALL FAULTS". To the extent allowed by law, we specifically disclaim any express or implied warranties, including, but not limited to, warranties of merchantability and fitness for a particular purpose.

Inquiries concerning any Hogue product should be sent to:
